

Welcome to Options Assurance Discount Plan! This is our in-office dental membership program that is specially designed for patients not covered by traditional dental insurance. We believe that routine dental care plays an important role in your overall total health. Providing this program gives our patients access to quality dental care at reasonable rates.

Covered Services (per person, membership year)

- Routine cleanings* and exams, twice per membership year.
- Full mouth x-rays or bitewing x-rays for adults and children, once per membership year.
- Emergency bitewing or periapical x-rays between routine appointments at no charge, no limit. Emergency exams will be charged at the 15% discount portion of your membership.
- 15% Discount on all routine dental treatment, x-ray services and exams, basic restorations. Payment must be paid in full when services are provided to receive the discount. The discount does not apply to outstanding balances prior to membership.
- 10% Discount on major restorations such as crowns, bridges, partials, full dentures, cosmetic and implant services, non-routine testing and diagnostic scans, and surgical procedures.
- 20% Discount for services relating only to treatment of active periodontal disease. This will include: Scaling and root planing, periodontal maintenance, exams and x-rays, or additional treatment that the doctor / hygienist deem necessary during periodontal therapy. If periodontal therapy becomes necessary during the current membership period, the 20 percent discount will apply to all periodontal related treatment during the remaining current membership.

*A routine cleaning indicates healthy gums that do not require treatment for active periodontal disease.

Non-Covered Services Products for sale such as electric toothbrushes, toothpaste, etc. are not eligible for discounts. Any service provided by other healthcare professionals to whom we may refer you for treatment (orthodontists, oral surgeons, etc.) are not covered under our discount plan.

Eligibility Eligibility begins the day payment is received for the program and expires one year from that date. Unused benefits will not carry over past the expiration date of the plan. Eligible participants must be (1) Spouse/significant other of primary member; (2) Children living in the household to age 18. **This plan is not offered to those who have traditional dental insurance coverage.**

Membership Information TMJ & Facial Pain Center and Dr. Wesley Shankland reserve the right to discontinue or decline to renew this plan at any time for any member. It is the member's responsibility to schedule and keep covered appointments within the benefit year, which ends exactly one year from date of renewal. This plan is non-refundable after 30 days from the initial membership or renewal date. Two routine checkups are covered and will expire if not used within the membership year. Refunds will not be given for unused benefits during the membership period. If membership is discontinued by our office, a prorated portion of membership fees will be refunded to the primary member. Membership fees, benefits and discounts are subject to change from year to year but not during your current membership period.
